

NEW URBAN AGENDA

RIBA International Week - Student Charrette

| LONDON |

activity

INTERNATIONAL WORKSHOP

The RIBA will engage with the next generation of architects around issues highlighted in the New Urban Agenda through a series of masterclasses, inviting architecture students from a range of international backgrounds to consider the factors redefining models of the city.

The masterclasses will be delivered by subject experts from universities and other institutions including the American University in Cairo, the Architectural Association, ETSA Barcelona, Oxford Brookes University, the Prince's Foundation and University College London. It will culminate in a student charrette, and a series of manifestos on city-making.
